Let's win together !

Let's shine together !

LONG TERM ACTIONS TO BUILD THE FUTURE

Production of local masks, reusable sanitary towels and clothes by the Kibera Women Group with the support of AFD.

Facilitating access to water and improving hygiene at home with the support of Allianz insurance

KIBERA FOR KIBERA

Promote local initiatives by helping income generating projects. This sports shop run by one of Kibera Black Stars players is a good example to follow.

Let's win together !

Let's shine together !

TWO SUSTAINABLE PROJECTS

An **EDUCATION and TRAINING CENTER** partly made of recycled materials sponsored by AFD and Allianz

A **MULTI-PURPOSE FIELD** in the heart of the slum 2nd phase of renovation seeking for funds

Happy girls = happy world !

These two projects are particularly focused on **GIRLS.**

to enable girls to learn better skills, allow them to get more job opportunities and a better future then improve the life their family

to create a positive impact on the community as a role models for the youth then to become active leaders of the new coming generation

to show great examples of gender equity and to fight against women discriminations

Let's win together !

Let's shine together !

Our USUAL PROGRAMS are resuming. We are ready. Yes we can ! Stronger together !

KBS players are back in **trainings**, waiting for the league to resume soon.

Our 100 young **players-girls and boys** - of **Slum Soka** are ready to follow our training programs and **educational activities**.
