

Many activities have been put in place in our new training centre in Kibera since June 2020

**SPORT**

3 dance courses a week for 30 kids (girls and boys) lead by Collins et Caren from « Cheza Cheza » association.

2 football trainings sessions per week on Isaac Pitch attended by 90 kids (girls and boys) followed by meetings on match analyses in the youth centre

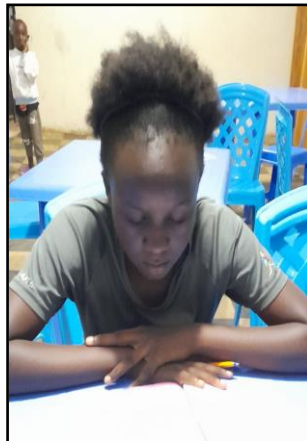

2 rugby trainings sessions per week on Isaac Pitch attended by 60 kids (girls and boys) followed by meetings on match analyses in the youth centre

**EDUCATION**

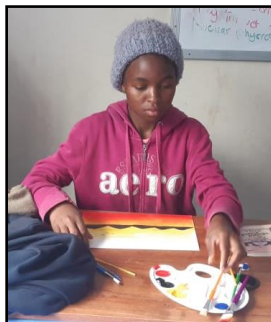

5 extra curriculum courses per week in the evening lead by Caren

4 successful sponsorships as the one for Teresa, our proud ambassador

2 yoga sessions per week focused on personal development for 30 kids (girls and boys) run by Teacher Lucie

Introduction to different arts for 20 kids every Saturday morning with our partner, Uweza foundation, and local artists.

Computer classes (digital marketing) lead by Lucie for 15 youth during school holidays.

Monthly meetings on health awareness, hygiene and nutrition by our nurse

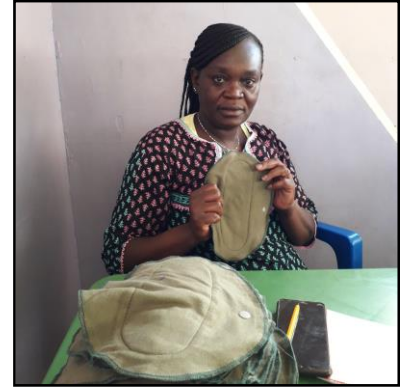

## SOCIAL

Regular management lessons for 15 women to improve income from the tailoring shop with 4 new machines

Weekly training sessions to produce reusable sanitary pads with Aruna from «Together for Better» association

More than 300 reusable sanitary pads made since November 2021 – on top of awareness sessions about hygiene

Cleanings around the centre for a more sustainable environment and a better social cohesion

Tree planting for a greener area and cleaner paths = concrete actions to finalize the courses on sustainable development

Introductions to compost organised by Jakline, a very active woman

Trainings to increase female entrepreneurship for 10 mothers with our local partner «Zuri Initiative»

**HAPPY GIRLS !**

**HAPPY WORLD !**

Some French courses will resume soon in our special language room for 60 youth with Alliance Française Nairobi as a precious partner to prepare A1 and A2 certificates and increase job opportunities

## PROFESSIONAL TRAININGS

Management lessons to run income generating projects in a more efficient way such as a sport shop in Kibera run by a former Kibera Black Stars player

Various professional skill trainings will be soon proposed to our youth by employees of some of our corporate partners such as Razel Bec, Rubis, Allianz, Airtel.. to increase employability

Road safety trainings have started in the hall with « Safe Way Right Way » association for 150 boda boda riders among our fans, with 40 females !

## SOLIDARITY

The people living near the centre enjoy a new footbridge build after heavy rains

Improved sewer lines

## **SPECIAL THANKS TO OUR SPONSORS:**
