

# THE SLUM SOKA

**The future shining stars  
in Kibera Slum**

# Who are the Slum Soka ?

**120 kids, boys and girls, aged 6 to 17 years**

- ★ **The little brothers and sisters of the Black Stars, the best football team in Kibera**
- ★ **The direct beneficiaries of various projects around sports, social, health and education**

**Sports can change many lives in the slum !**

# 2020 = we focus more on **Girls**

They need  
your help !

**Support our girl  
football team !**

Sport kits,  
logistics for  
trainings and  
matches

But, it's not  
just about  
football...

# Educational activities

Better today, better tomorrow

Scholarships

School support

English classes

French courses

Computer science

Personal development

Various basic skills

# Arts in the slum

Dance show in front of more than 4000 students

Workshops with local artists in Kibera

# Partnership with the French School

**Building  
strong links  
with other  
kids from  
different  
social  
backgrounds**

# Trips outside Kibera

**Take the kids off the dirty streets and enable them discover other nice places.**

**Nairobi National Park, Ngong forest,  
OI Pejeta Conservancy, etc...**

# Sustainable development

A healthy environment = a better health

Environment awareness,  
wildlife protection

Collect plastic bottles, recycle waste, tree plantations, community cleaning in the slum

# Solidarity and no discrimination

We welcome children with different mental and physical disabilities in our programs.

# Helping the youth, especially the girls, now is offering them a brighter future tomorrow

**SPORT** for social integration  
and launching pad

**NEW SKILLS** for better job  
opportunities

Once adults, they can share  
these new abilities to other  
generations

# 2 main Projects in 2021/22

- **Rehabilitation of Isaac Pitch**  
in priority for the girls to train in a more decent and safer place

- **A training center for youth**  
Partly made in recycled materials  
For education and skills trainings

# What can you do as a corporate?

## 1. Provide funds for the projects

And make them more sustainable

## 2. Donate materials and equipments

And improve the quality of the activities

## 3. Provide regular professional training

with your staff as team-building, coaching, skills... And build a strong, tight and long-lasting win-win partnership

**EMPOWERING LIFE !**

# Together, we can change many lives in Kibera.

## Let's win all together !
